

## ■ Polo Tournament in Etyek

Rynart was a co-sponsor of the La Estancia Polo Open, which took place in the La Estancia Polo Club in Etyek, some 20 kilo-

metres from Budapest. It was the biggest polo event Hungary has seen since the Second World War. Four teams, two from Austria, one from Germany and one with international members, took part in the tournament, which attracted 1000 visitors. Amongst them were some 400 VIP's, from Hungary and from abroad. Rynart took care of the logistics around the tournament, for instance the transportation of the catering.
